

RANKED BEST TO WORST

The Vegan *Egg Wash* Guide

Every option I tested for browning & shine — no eggs.

1

Maple + Olive Oil (1:1)

The winner — whisk equal parts; best browning *and* shine.

BEST

2

Oil / Vegan butter

Shiniest of all; a touch less browning on its own.

BEST

3

Maple syrup

Alone or with milk — nice browning, a little duller.

BEST

4

Soy milk

Surprisingly dark, but dull.

OKAY

5

Milk + oil

Light browning, barely any shine.

OKAY

6

Aquafaba + maple

The only aquafaba that browned — still light.

OKAY

7

Oat milk

Barely browned, no shine.

SKIP

8

Aquafaba (alone / + milk)

No browning, no shine at all.
